

# Bi Multi Directional Forklift Truck Training

Bi Multi Directional Forklift Truck Training is available to businesses and individuals across West Sussex and East Sussex to include Chichester, Bognor Regis, Littlehampton, Worthing, Lancing, Hove, Brighton and all surrounding area's.

Operators of the Bi Multi Directional Forklift Truck are required to hold a certificate of training which shows they have attended a training course and passed a test to a set national standard. Luft Training Service Ltd will cover all the legislation's that are relevant to the Bi Multi Directional Forklift driver training, will cover theoretical, pre-operational and practical tests. On the successful completion of a basic operator training.

If your not sure if we cover your area please call us on **01903-725626**

## MULTI DIRECTIONAL BENEFITS

The Multi directional Fork Lift Trucks can benefit any warehouse in several ways. The specialist design of the Multi Directional Forklift allows you to save space as these trucks require less space to manoeuvre thanks to the all wheel drive mechanisms.

The multi directional forklift trucks also have the benefit of being able to cope with much longer loads, whilst providing safer product handling with less damage to your products.
