

FORKLIFT INSTRUCTOR TRAINING COURSES

Luft Training Services Ltd specialising in **Forklift Instructor Training Courses** to the accredited RTITB certification. Our website aims to give you as much information as required to ensure you fully understand the **RTITB Forklift Instructor Training Course**.

For anyone looking to train to become a **Forklift Truck Training Instructor**, we offer three varieties of RTITB qualified courses. Successful candidates will be registered on the RTITB National Register of Instructors for 5 years. We are a national **Forklift Truck Training Centre** based on the south coast of England covering the UK on a wide variety of **Forklift Truck Training courses** including **Forklift Truck Instructor Training UK**, all accredited to RTITB Standards. Please see our site for more details.

FORKLIFT INSTRUCTOR / EXAMINER 10 DAY COURSE INITIAL TRAINING

Course Summary

Train to be an RTITB qualified Forklift truck instructor and examiner in just 10 days.

A ten day course with final examination for experienced lift truck operators who wish to provide operator training for their employer or on a commercial basis (Instructors must become RTITB Accredited in order to provide commercial training approved by RTITB).

The examination consists of 3 elements which are:

1. Test of Basic Operating Skills (Practical test to instructor standard – maximum 25 penalties). This is carried out on the first day of the course by the course tutor.
2. RTITB Examination of Practical Instructional Ability (40 minutes). Delegates must score a minimum of 70 from a maximum of 100 to pass this element. This examination is carried out on the final day of the course and is conducted by an independent RTITB Examiner.
3. RTITB Examination of Instructor Associated Knowledge (20 minutes). A minimum of 80% must be achieved to pass this element. This examination is carried out on the final day of the course and is conducted by an independent RTITB Examiner.

All 3 elements must be successfully completed to achieve an overall pass and qualify as a Lift Truck Instructor.

Successful candidates will then register on the RTITB National Register of Instructors.

Eligibility

- Delegates will need to be lift truck operators with strong written and verbal skills
- Delegates will need to provide evidence of successfully completing the Basic Operating Skills Test on a counterbalance or reach truck in the preceding 12 months
- We strongly recommended that delegates have a minimum of 6 months operating experience

All bookings include:

- Free refreshments
- Examination Fees

FORKLIFT INSTRUCTOR TRAINING / 5 DAY COURSE

Course Summary:

A five day course for Lift Truck Instructors registered with another HSE recognised accrediting body (or other credible organisation such as the military, ITSSAR, CITB) who wish to register with RTITB or instructors whose RTITB registration has lapsed for more than 12 months but less than 5 years.

The examination consists of 3 elements which are:

1. Test of Basic Operating Skills (Practical test to instructor standard – maximum 25 penalties). This is usually carried out on the first day of the course by the course tutor
2. RTITB Examination of Practical Instructional Ability (Approx 40 minutes). Delegates must score a minimum of 70 from a maximum of 100 to pass this element. This examination is usually carried out on the final day of the course and is conducted by an independent RTITB Examiner
3. RTITB Examination of Instructor Associated Knowledge (Approx 20 minutes). A minimum of 80% must be achieved to pass this element. This examination is usually carried out on the final day of the course and is conducted by an independent RTITB Examiner

All 3 elements must be successfully completed to achieve an overall pass and qualify as a Lift Truck Instructor.

Successful candidates can then register on the RTITB National Register of Instructors “The Professional Register” for a period of 5 years.

Eligibility

- Lift Truck Instructors registered with another HSE recognised accrediting body (or other credible organisation such as the military, ITSSAR, CITB)
- Instructors whose RTITB registration has lapsed for more than 12 months but less than 5 years

All bookings include:

- Free refreshments
- Examination Fees
- RTITB Lift Truck Operator and Instructor Training Recommendations (normally £11)

Course Location:

All instructors’ courses will be held at our RTITB accredited training centre in Littlehampton, West Sussex. We have Large heated modern facilities and a modern fully equipped training room. There are also kitchen facilities with hot and cold drinks, the use of a fridge and microwave is also available for use.

LIFT TRUCK INSTRUCTOR RE-REGISTRATION 3 / 5 DAY COURSE

Course Summary:

A three day course for RTITB Instructors who wish to renew their registration. This course is particularly suitable for delegates who instruct on a daily basis. Due to the short duration of the course there is very

little time for refresher training therefore delegates must be confident of their ability to pass the final examination without refresher training.

A five day re-registration course is also available for RTITB Instructors. This course is designed for delegates who instruct infrequently or who do not feel confident of their ability to pass the final examination without further training.

The examination consists of 3 elements which are:

1. Test of Basic Operating Skills (Practical test to instructor standard – maximum 25 penalties). This is carried out on the first day of the course by the course tutor
2. RTITB Examination of Practical Instructional Ability (40 minutes). Delegates must score a minimum of 70 from a maximum of 100 to pass this element. This examination is carried out on the final day of the course and is conducted by an independent RTITB Examiner
3. RTITB Examination of Instructor Associated Knowledge (20 minutes). A minimum of 80% must be achieved to pass this element. This examination is carried out on the final day of the course and is conducted by an independent RTITB Examiner

All 3 elements must be successfully completed to achieve an overall pass and re-qualify as a Lift Truck Instructor.

Successful candidates can then register on the RTITB National Register of Instructors “The Professional Register” for a period of 5 years.

Eligibility:

Current or previously registered (registration must not have expired over 12 months ago) RTITB Lift Truck Instructors

* Please note previously registered RTITB Instructors with an expiry date of over 12 months ago will need to attend the Lift Truck Instructor 5 day course.

Truck Instructor Assimilation course

All bookings include:

- Free refreshments
- Examination Fees

Course Location:

All instructors’ courses will be held at our RTITB accredited training centre in Littlehampton, West Sussex. We have Large heated modern facilities and a modern fully equipped training room. There are also kitchen facilities with hot and cold drinks, the use of a fridge and microwave is also available.
